

Dear Neighbor:

We are writing to update you on the construction of the Bay Park Conveyance Project. The Bay Park Conveyance Project is a partnership between the New York State Department of Environmental Conservation and the Nassau County Department of Public Works. Western Bays Constructors (WBC) is the design-builder for this innovative Project.

The Project will convey treated water from the South Shore Water Reclamation Facility at Bay Park (formerly known as the Bay Park Sewage Treatment Plant) to the existing Cedar Creek Water Pollution Control Plant's ocean outfall pipe, which discharges and diffuses treated water three miles offshore in the Atlantic Ocean. As part of this conveyance, the Project includes repurposing an existing aqueduct beneath Sunrise Highway, using a technique known as sliplining which has occurred within your community.

Pit B location on Sunrise Highway

Pit B is located on the south side of Sunrise Highway, just east of North Village Avenue in Rockville Centre. As construction in your area continues, we want to give you as much information as possible. Here's what you should know.

In coming days, WBC will remove the concrete roadway planks and place temporary pavement at Pit B. This activity is expected to last one to two nights and no impact is expected to the community. In addition, as part of Project completion and final restoration, WBC will return to each pit location towards the end of this year to perform full depth restoration of the roadway. At that time, we will continue to advise you of all upcoming work.

Through a dedicated Community Outreach Program, WBC is committed to a robust engagement process and to maintaining an open line of communication throughout construction. We are also committed to minimizing disruption to neighborhoods near construction. WBC's Community Outreach Team will be available to answer questions and act as a project liaison throughout the duration of construction.

For more information on this project element, we encourage you to visit our website www.BayParkConveyance.org and Facebook page [@BayParkConveyance](https://www.facebook.com/BayParkConveyance), and [register for email updates](#). Our Community Information Center is located at 265 Sunrise Highway in Rockville Centre; please visit our website for hours. You may contact us via the Project's 24/7 hotline at (516) 252-6121 or email us at BayParkConveyance@gmail.com with any questions.

Respectfully,

Margo K. Cargill
Community Ambassador
