Join by phone:

+1 (646) 558-8656

Meeting ID: 922 9465 5606

Password: 942240

The New York State Department of Environmental Conservation (NYSDEC) and the Nassau County Department of Public Works (NCDPW) are hosting a virtual public information session via Zoom. The Project Team will describe the Bay Park Conveyance Project and will be available to address questions from residents and stakeholders.

## About the Bay Park Conveyance Project

Together NYSDEC and NCDPW are improving water quality and storm resiliency in Long Island's Western Bays by upgrading its existing wastewater management infrastructure. This innovative Project will convey treated water from the Bay Park Sewage Treatment Plant (STP) located in Nassau County, New York, to the Cedar Creek Water Pollution Control Plant (WPCP) ocean outfall pipe.
