

Dear Neighbor:

We are writing to update you on the construction of the Bay Park Conveyance Project. The Bay Park Conveyance Project is a partnership between the New York State Department of Environmental Conservation and the Nassau County Department of Public Works. Western Bays Constructors (WBC) is the design-builder for this innovative Project.

The Project will convey treated water from the South Shore Water Reclamation Facility at Bay Park (formerly known as the Bay Park Sewage Treatment Plant) to the existing Cedar Creek Water Pollution Control Plant's ocean outfall pipe. Construction involves underground microtunneling within your community. Microtunneling is a safe, effective way to install piping deep into the ground, avoiding long trenches and the need to work within roadways. As construction continues, we want to give you as much information as possible.

In advance of microtunneling at Bay Park Shaft 5, preparatory work has begun. Crews relocated infrastructure including the gazebo, lighting, and other elements in advance of heavy construction. In addition, access to nine parking spaces within the existing parking lot off Ocean Avenue adjacent to East Rockaway's Oxbow Park have been closed in order to construct a travel lane to facilitate work activities.

It is anticipated that these parking spots will remain closed for the duration of construction at Bay Park Shaft 5, which is expected to last until approximately Fall 2022. The parking lot will remain open with two-way traffic into and out of the parking lot at all times.

Through a dedicated Community Outreach Program, WBC is committed to a robust engagement process and to maintaining an open line of communication throughout construction. We are also committed to minimizing disruption to neighborhoods affected by construction. WBC's Community Outreach Team will be available to answer questions and act as a project liaison throughout the duration of construction.

For more information on this activity, we encourage you to visit our website <https://www.bayparkconveyance.org/> and Facebook page [@BayParkConveyance](#) and register for email updates. Our Community Information Center is located at 265 Sunrise Highway in Rockville Centre and open Mondays, Wednesdays, and Fridays: 8AM - 3PM, Tuesdays and Thursdays: 12PM - 7PM, and every other Saturday beginning 1/8/2022: 9AM – 12PM You may contact us via the Project's 24/7 hotline at (516) 252-6121 or email us at BayParkConveyance@gmail.com with any questions.

Respectfully,

Margo K. Cargill
Community Ambassador
