

Dear Neighbor:

We are writing to update you on the construction of the Bay Park Conveyance Project. The Bay Park Conveyance Project is a partnership between the New York State Department of Environmental Conservation and the Nassau County Department of Public Works. Western Bays Constructors (WBC) is the design-builder for this innovative Project.

The Project will convey treated water from the South Shore Water Reclamation Facility at Bay Park (formerly known as the Bay Park Sewage Treatment Plant) to the existing Cedar Creek Water Pollution Control Plant's (WPCP) ocean outfall pipe, which discharges and diffuses treated water three miles offshore in the Atlantic Ocean. Construction involves underground microtunneling within your community. Microtunneling is a safe, effective way to install piping deep into the ground, avoiding long trenches and surface disturbance.

Location of Cedar Creek Shaft 4 in Wantagh

Cedar Creek Shaft 4 (CC4) is located off King Road near St Regis Street in Wantagh. As construction in your area continues, we want to give you as much information as possible. Here's what you should know:

Pipe Delivery:

Beginning in early September, large segments of pipe and materials will be transported via flatbed trucks to the property adjacent to CC4. The pipe and materials will support microtunneling activities. There will be a consistent presence of construction vehicles and crews in the area.

Through a dedicated Community Outreach Program, WBC is committed to a robust engagement process and to maintaining an open line of communication throughout construction. We are also committed to minimizing disruption to neighborhoods affected by construction. WBC's Community Outreach Team will be available to answer questions and act as a project liaison throughout the duration of construction.

For more information on this project element, we encourage you to visit our website www.BayParkConveyance.org and Facebook page [@BayParkConveyance](https://www.facebook.com/BayParkConveyance), and register for [email updates](#). Our Community Information Center is located at 265 Sunrise Highway in Rockville Centre. Please visit our website for hours. You may contact us via the Project's 24/7 hotline at (516) 252-6121 or email us at BayParkConveyance@gmail.com with any questions.

Respectfully,

Margo K. Cargill
Community Ambassador
